

LEARNING ACADEMY

Get ahead before your child falls behind!

February 4th from 6 - 7 pm
at California Learning Connection

The Center for Communication Skills Learning Academy offers academic support so that your child will succeed whether they are a little behind or need specialized intervention. Our trained staff and experienced tutors work with your child in a natural and fun setting to stimulate learning. Join us for our open house to learn more about our programs.

Don't forget to bring the kids! While you talk with our staff, we will have games and entertainment for them.
